TURN WASTE
INTO VALUE!

FARM PLASTIC BALERS

**A SIMPLE, EFFECTIVE WAY TO
RECYCLE YOUR USED SILAGE
PLASTIC, NETTING & BAGS**

Keep your farm clean, reduce waste
and make the most of your plastic
with our heavy-duty hydraulic
balers, designed for Irish farms.

BALES 100 – 120 WRAPS PER BALE

Each unit takes between
100 – 120 bale wraps per bale
in the machine.

HYDRAULIC OPERATED

Uses the tractor's hydraulic
spools for easy and efficient
operation.

3 POINT LINKAGE FITMENT

Comes with the brackets on the
machine so it can be fitted to
your tractor's 3 point linkage.

STRAPPING INCLUDED

Comes with strapping to tie off
the bale once it's made.

TROLLEY INCLUDED

A trolley to remove the bale
with ease.

FREE DELIVERY

Anywhere in Ireland

SET UP INCLUDED

We'll get you up and
running on-site.

12 MONTH WARRANTY

Peace of mind with
your purchase.
